

Getting low-cost children's health insurance may be the easiest job of the day.

The Rogers thought they made too much money to get help with their children's health insurance coverage. But they checked anyway...and are so glad they did.

Now all their kids are covered. And, it's not just for sudden illnesses and accidents.

Their kids get:

- Regular Check-ups
- Dental Care
- Prescription Drugs
- Immunizations

It's easy to apply. You can do it online, in the mail or over the phone, so you don't have to take off work. Even if you've been turned down in the past, check it out. The Rogers are glad they did.
